Subregion: Rioja Alta

VITICULTURE

Grapes varieties: 100% Viura
Vineyards: Sustainable
Vineyard location: Gimileo Briones
Vineyard training: Bush, trellis
Soil composition: Clay-chalky
Vineyard altitude: 470-520 m
Harvest date: October 7th
Type of harvest: Manual

WINEMAKING

Destemmed: No
Grapes pressing: Very soft
Fermentation: spontaneous and controlled

CURIOSITY

Viura is an indigenous variety from Rioja and produces fresh wines with hints of white flowers, fruity style when adapted to the terroir.

TASTING NOTES

Visual: Pale yellow colour, intense and bright.
Aromas: Very fruity aroma with citrus overtones and white flowers.
Taste: Well structured, good acidity with a long after taste. Invites you to drink a new glass.

GASTRONOMY

Serving suggestions: Recommended with seafood, creams, tapas, asparagus, Pizza, risotto, Asiatic dishes, sushi...
Temperature of consumption: 6°C.

STORAGE

Store this wine in a cool ventilated place where the temperature is fairly constant. Keep the bottles on their side so that the wine is always in contact with the cork
